

Declaration of consent to the storage and processing of personal data

I hereby agree that CAD Line GmbH has permission to collect, store or process any data, documents, images, etc. which I have provided to CAD Line GmbH myself or which were disclosed to CAD Line GmbH by other sources for the purpose of project management.

Furthermore, I agree to the project-specific transfer of this personal data and these documents to third parties of which I will be informed. Any disclosure for other purposes, e.g. for advertising and/or marketing is excluded. I give CAD Line GmbH permission to duplicate text documents and images, if this is required to transfer them.

I hereby agree to allow CAD Line GmbH to send me important information about their software products by e-mail (e.g. dongle expiration, updates, program corrections, product news...).

I consent to CAD Line GmbH storing my personal data, such as names, address, phone number, e-mail addresses and the documents transmitted beyond the project period in an internal company database for an indefinite period for the purpose of establishing a customer/partner pool.

I am aware that I can demand that CAD Line GmbH informs me, which of my personal data have been stored and that I can demand that this personal data be deleted at any point. An informal written request is sufficient for this purpose.
